

# FDA FORM 3500 — MedWatch Adverse Event Report

U.S. Department of Health and Human Services | Food and Drug Administration | OMB No. 0910-0291 Expires: 09-30-2027

|               |                      |                 |                                 |
|---------------|----------------------|-----------------|---------------------------------|
| Report ID:    | FDA-3500-PT-2025-015 | Date of Report: | 10-Jun-2026                     |
| Form Version: | FDA-3500 (09/2025)   | Report Type:    | Voluntary – Health Professional |

## A. PATIENT INFORMATION

|                     |                           |                    |                      |
|---------------------|---------------------------|--------------------|----------------------|
| Patient Identifier: | PT-2025-015               | Full Name (Conf.): | Kevin Alexander Ross |
| Date of Birth:      | 06-Feb-2000               | Age:               | 25 year(s)           |
| Sex:                | Male                      | Weight:            | 165 lb               |
| Race / Ethnicity:   | Black or African American |                    |                      |

## B. ADVERSE EVENT / PRODUCT PROBLEM

|                 |               |                      |                  |
|-----------------|---------------|----------------------|------------------|
| Type of Report: | Adverse Event | Outcome:             | Life-threatening |
| Date of Event:  | 20-Jan-2025   | Date of This Report: | 10-Jun-2025      |

### Describe Event / Problem / Product Use Error (B.5)

Aplastic anemia confirmed after routine CBC showed pancytopenia. Bone marrow biopsy showed markedly hypocellular marrow. Patient required transfusions and eventual stem cell transplant.

### Other Relevant History / Preexisting Medical Conditions (B.7)

Folate supplementation was NOT co-prescribed. Renal function borderline (CrCl 48). No NSAID use.

## B.6 RELEVANT TEST / LABORATORY DATA

| Test / Parameter | Result | Low Ref | High Ref | Unit | Date        |
|------------------|--------|---------|----------|------|-------------|
| WBC              | 0.9    | 4.5     | 11.0     | K/uL | 20-Jan-2025 |
| Platelets        | 18     | 150     | 400      | K/uL | 20-Jan-2025 |

## C. PRODUCT AVAILABILITY

|                                   |    |                     |    |
|-----------------------------------|----|---------------------|----|
| Product Available for Evaluation? | No | Picture of Product? | No |
|-----------------------------------|----|---------------------|----|

## D. SUSPECT PRODUCT #1

|                          |                          |                                 |                      |
|--------------------------|--------------------------|---------------------------------|----------------------|
| Product Name:            | Methotrexate 15mg        | NDC / Unique ID:                | 55111-667-15         |
| Manufacturer:            | Strides Pharma           | Lot #:                          | ST20240820           |
| Dose / Amount:           | 15 mg                    | Frequency:                      | Once weekly          |
| Route:                   | Oral                     | Diagnosis (Indication):         | Rheumatoid arthritis |
| Therapy Start Date:      | 01-Aug-2024              | Therapy Stop Date:              | 20-Jan-2025          |
| Event Abated After Stop? | Yes                      | Event Reappeared After Reintro? | No                   |
| Product Type:            | Drug or Biologic – Brand | Ongoing Therapy?                | No                   |

## E. SUSPECT MEDICAL DEVICE

|                            |                            |                          |     |
|----------------------------|----------------------------|--------------------------|-----|
| <b>Brand Name:</b>         | N/A – Drug/Biologic Report |                          |     |
| <b>Operator of Device:</b> | N/A                        | <b>Device Implanted:</b> | N/A |

## F. OTHER (CONCOMITANT) MEDICAL PRODUCTS

| # | Product Name                 | Therapy Start | Therapy End |
